matters of interest and First and Fourth Pages. Township and County Delegates.

The middle of April is passed; the Demoeratic State Convention meets on the 20th of May; and thus far very little has been said about the selection of delegates to a county Convention to secure representatives to the State Convention. We have already spoken of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the South, and an about make the same of the same of the South, and an about make the same of the sa the importance of the work to be performed at sauce, which every good patriot should help Columbus next month, and have indicated what to abate."

It may safely be concluded that the mosttime, from whom to make choice of representa lands. tives to the State Convention; but we submit, is matter without delay.

ing about for good and true men for delegates, diate return.

be put on it. At any rate, the business of the road is to receive prompt attention, and what can be done will be. This much may be depended on.

There is now some little impetus again given to the Cincianati & Mackinaw Railroad project, by the fact that roads on the line, in the State of Michigan, are projected, are already under contract, and have the advantage of land grants to aid in their building. But last week the construction of the Amboy, Lansing & Saginaw R. R. was award ed to Daniel Beckel, Esq., of this city. The contract commences near the State line, and ed to Daniel Bockel, Esq, of this city. The classes, on the other hand, are in layer of contract commences near the State line, and receiving them, as they create a demand for goods. The Legislature last year passed an act prohibiting the importation of them, but the Supreme Court has decided this to regions, and terminating where another road, running to the Straits of Macknaw, commences. The portion of the road to be built by Mr. Beckel will be completed within eight
